Lujan de Cuyo: Visit and tastings at **Renacer & Piatelli** wineries, and Lunch at **Finca Decero** boutique winery. Available days: Monday, Wednesday, Friday.

Websites: <https://www.bodegarenacer.com.ar/> - <https://www.piatellivineyards.com/mendoza> - <http://www.decero.com/>

Mendoza is globally recognized for its wineries, but not just that. Olive oil is also another very important product for our economy, and this tour shows the work of outstanding producers in the **Lujan de Cuyo** region.

The first visit will be to **Renacer**, a boutique winery which was designed to produce premium wines, and built in 2004 in Perdriel, Mendoza, in the foothills of the Andes Mountains. It is a fusion of classic and modern architecture: Tuscan-inspired stone walls combined with well-defined modern straight lines provide a highly attractive and unique building. A blend of tradition with modernity.

Our next tasting takes place at **Piatelli Winery**, also located in the foothills of the Andes Mountains Range. Their vineyards rely on irrigation from the pure waters melting from their snow-crested peaks, a significant aspect of what makes their wines exquisite.

The last winery of the visit will be **Finca Decero**, meaning “from scratch”, was born of a bare patch of land and a family’s love affair with wine. Winemaking in Thomas Schmidheiny’s family went back to his grandparents in Switzerland and, just as Napa had inspired his mother, Adda, in the 1970s, so too did Agrelo capture the heart and mind of Thomas, when travelling over the Andes into Argentina, 20 years later.

The high-quality approach of Finca Decero transcends into the excellent cuisine of our restaurant. The seasonal menu of Finca Decero, designed by our Chef Andres Fozzatti, combines local ingredients and international styles of cuisine and matches perfectly with Decero wines. Whether an intimate lunch for two or a group of friends, Finca Decero provides a tranquil and high-quality venue for lunch. Step menu, paired with the wines featured in the winery.

Maipu: Visit and tastings at **Trapiche & Sin Fin** wineries, and Lunch at **Familia Zuccardi** winery (Pan & Oliva Restaurant). Departures: Tuesday, Thursday and Saturday, all year round.

Website: <https://www.trapiche.com.ar/> - <https://www.bodegasinfin.com/es/home> - <https://www.familiazuccardi.com/>

To the east of the city, Maipú transports us to the past. Experience the origin of wine in Argentina. We will visit three wineries that opened the path of viticulture here in Argentina and still have conserved their family traditions to this day, forming an important part of the production of wines in Mendoza. We will visit some of the most important and renowned wineries in this region. **Trapiche Winery** represents “the richness of diversity.” Over the course of its history, this winery has always understood the strength of viticulture in this country, specializing in obtaining the best of the terroir, creating unique wines. We continue to **Sin Fin Winery**, a family-owned winery by local Mendocinians - a modern proposition in a completely remodeled building from 1937. Finally we visit **Familia Zuccardi Winery**. This family company was founded in 1963 by Engineer Alberto Zuccardi. In those times, he began planting vines in Maipú (province of Mendoza), experimenting with an irrigation system of his own creation based on a method used in California. Forty-five years after the starting point of this path, there are three generations joined by a passion for wine. In September 2015, the prestigious magazine DECANTER acknowledged José Alberto and Sebastián Zuccardi as being among the five most influential personalities of Argentine Wine. We continue for lunch at Pan y Oliva, one of two restaurants located at Familia Zuccardi, known for its fresh take on pasta, salads, tapas, with the incorporation of olive oil. We'll head out into the dining room to enjoy lunch and house wines.

Observations: Please note that the wineries selection can be updated according to the proper schedule of the trip date, availability, and to guarantee the best tour development and conditions. Wineries visits, tastings and lunch are shared (except specified differently). The Private Service involves vehicles and guides at disposal to enjoy personalized and exclusive service.
